

SOCIII Terms of Service

sociii.ai Platform · Effective August 28, 2026

1. Acceptance of Terms

These Terms of Service ("Terms") are a binding legal agreement between you and SOCIII, Inc. ("SOCIII," "we," "us," "our") governing your access to and use of the SOCIII AI platform at sociii.ai and all associated services, AI Digital Workers, APIs, and mobile or desktop applications (collectively, the "Platform"). By creating an account, accessing the Platform, or using any SOCIII service, you agree to be bound by these Terms, our Privacy Policy, and our Subscriber Data Rights Policy. If you do not agree, do not use the Platform. If you are using the Platform on behalf of an organization, you represent that you have authority to bind that organization to these Terms.

2. Eligibility

- You must be at least 18 years of age (or the age of majority in your jurisdiction), except where accessed by enrolled students through an institutional agreement with their school
- You must be legally capable of entering binding contracts
- You must not be prohibited from using the Platform under any applicable law
- You must not be on any US government sanctions list (OFAC SDN) or equivalent

3. Account Registration

To access most Platform features, you must register for an account. You agree to:

- Provide accurate, current, and complete information during registration
- Maintain the security of your password and not share your credentials
- Notify SOCIII immediately of unauthorized account access at legal@sociii.ai
- Accept responsibility for all activity occurring under your account

SOCIII reserves the right to refuse registration or suspend accounts at its discretion, including for violation of these Terms.

4. Platform Services

4.1 AI Digital Workers

SOCIII's marketplace provides access to AI Digital Workers built by SOCIII and independent creators. Workers are AI-assisted tools designed to help with tasks in regulated industries. Workers are not a substitute for licensed professional advice.

4.2 The Vault

The Vault is your personal encrypted data repository on the Platform. Your Vault data is governed by the Subscriber Data Rights Policy.

4.3 Free Tier

SOCIII offers a free tier providing access to the Vault and basic platform features. Free tier does not include access to premium AI Digital Workers unless specified.

4.4 Paid Subscriptions

Premium workers are available on a subscription basis at the following tiers:

- \$29/month — Tier 1 access
- \$49/month — Tier 2 access
- \$79/month — Tier 3 premium/regulated industry access

Suite bundles and institutional "in a Box" plans are available at published rates. All prices are in USD and subject to change with 30 days' notice.

4.5 Trial Period

Paid worker subscriptions may include a free trial period where offered. You will not be charged until the trial period ends. You may cancel at any time during the trial with no charge.

5. Payments and Billing

All payments are processed by Stripe, Inc. By subscribing, you authorize Stripe to charge your payment method on a recurring basis. Subscriptions auto-renew monthly (or annually, where an annual plan applies) unless cancelled before the renewal date. You may cancel your subscription at any time via account settings. Cancellation takes effect at the end of the current billing period. No partial-period refunds.

Refunds are issued at SOCIII's discretion for technical failures that prevent access to a paid worker for more than 72 consecutive hours. If payment fails, SOCIII will retry for 3 days. If payment continues to fail, your subscription will be suspended and access to paid workers will be restricted. All prices are exclusive of applicable taxes. Sales tax, VAT, or GST may be added based on your billing address and applicable law.

6. Acceptable Use

You agree not to:

- Use the Platform for any unlawful purpose or in violation of any applicable law or regulation
- Use the Platform to harass, abuse, or harm any person
- Attempt to gain unauthorized access to any part of the Platform or any other user's account
- Reverse engineer, decompile, or attempt to extract source code from the Platform
- Scrape, crawl, or extract data from the Platform using automated means
- Upload viruses, malware, or other harmful code
- Use AI Digital Workers to generate content that is defamatory, fraudulent, or violates any third-party rights
- Use AI Digital Workers to provide regulated professional services (legal, medical, financial advice) without appropriate credentials and disclosures
- Circumvent, disable, or interfere with the four-tier RAAS rules stack or any Platform security feature
- Create multiple accounts to circumvent restrictions or abuse trial periods

7. AI-Generated Content — Important Disclaimers

You acknowledge that:

- AI outputs may contain errors, inaccuracies, or outdated information
- AI outputs in regulated verticals are informational aids, not substitutes for licensed professional judgment
- You are responsible for verifying and applying AI outputs appropriately for your specific situation

- SOCIII's four-tier RAAS rules stack reduces but does not eliminate the risk of incorrect or inappropriate outputs
- SOCIII is not liable for decisions you make based on AI outputs

8. Intellectual Property

8.1 SOCIII IP

The Platform, including its design, software, infrastructure, RAAS rules architecture, Vault data layer, Alex recommendation engine, and all SOCIII-branded workers, is owned by SOCIII and protected by intellectual property laws. You receive a limited, non-exclusive, non-transferable license to access and use the Platform for your personal or internal business purposes.

8.2 Your Content

You retain ownership of content you submit to the Platform (prompts, uploaded documents, Vault data). By submitting content, you grant SOCIII a limited license to process it to deliver the services you request.

8.3 AI Outputs

Ownership of AI-generated outputs produced in response to your prompts is subject to applicable law. SOCIII makes no representation that AI outputs are copyrightable or that you hold copyright in them. You are responsible for evaluating IP implications of AI outputs in your specific jurisdiction and use case.

9. Third-Party Workers and Content

Many workers are created by independent creators. SOCIII does not endorse third-party workers and is not responsible for their accuracy, quality, or compliance with professional standards. By using a third-party worker, you acknowledge that:

- The worker was created and is maintained by a third-party creator, not SOCIII
- SOCIII's Tier 0 safety rules apply but do not guarantee the worker's professional accuracy
- You should evaluate the creator's credentials and the worker's scope before relying on its outputs

10. Disclaimer of Warranties

THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE" WITHOUT WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT, OR UNINTERRUPTED OR ERROR-FREE SERVICE. SOCIII DOES NOT WARRANT THAT AI OUTPUTS ARE ACCURATE, COMPLETE, CURRENT, OR FIT FOR ANY PARTICULAR PURPOSE. OUTPUTS DO NOT CONSTITUTE LEGAL, MEDICAL, FINANCIAL, OR OTHER PROFESSIONAL ADVICE.

Some jurisdictions do not allow disclaimers of implied warranties. In those jurisdictions, the above disclaimer applies to the fullest extent permitted by law.

11. Limitation of Liability

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, SOCIII'S AGGREGATE LIABILITY TO YOU FOR ALL CLAIMS ARISING UNDER THESE TERMS SHALL NOT EXCEED THE GREATER OF (A) THE TOTAL SUBSCRIPTION FEES YOU PAID IN THE 12 MONTHS PRECEDING THE CLAIM, OR (B) \$100 USD. SOCIII IS NOT LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, OR PUNITIVE DAMAGES, INCLUDING LOST PROFITS OR DATA LOSS.

The limitations above do not apply to liability for fraud, gross negligence, willful misconduct, or death or personal injury caused by negligence, to the extent applicable law prohibits such limitations.

12. Indemnification

You agree to indemnify and hold harmless SOCIII from claims arising from your use of the Platform in violation of these Terms, your violation of any third-party rights, or your breach of applicable law.

13. Termination

SOCIII may suspend or terminate your account at any time for violation of these Terms, fraudulent activity, or as required by law. You may close your account at any time via account settings. Sections 7, 8, 10, 11, 12, 14, and 15 survive termination.

14. Governing Law and Dispute Resolution

These Terms are governed by the laws of the State of Delaware, without regard to conflict of law principles.

Arbitration Agreement: Any dispute, claim, or controversy arising from these Terms or your use of the Platform will be resolved by binding individual arbitration administered by the American Arbitration Association (AAA) under its Consumer Arbitration Rules. The arbitration will be conducted remotely unless both parties agree otherwise. The arbitrator may award any relief a court could award.

CLASS ACTION WAIVER: YOU WAIVE YOUR RIGHT TO PARTICIPATE IN ANY CLASS ACTION LAWSUIT OR CLASS-WIDE ARBITRATION AGAINST SOCIII.

Small Claims: Either party may bring an individual claim in small claims court if it qualifies.

30-Day Opt-Out: You may opt out of the arbitration agreement within 30 days of first accepting these Terms by emailing legal@socii.ai with "Arbitration Opt-Out" in the subject line.

For users in jurisdictions where mandatory arbitration of consumer disputes is unenforceable (including some EU member states and the UK), disputes may be brought in the courts of your jurisdiction and you retain the right to use any applicable alternative dispute resolution mechanisms.

15. General Provisions

Entire Agreement: These Terms, the Privacy Policy, the SDRP, and applicable addenda constitute the entire agreement between you and SOCIII.

Amendments: SOCIII may update these Terms with 30 days' notice by email and platform notice. Continued use after the effective date constitutes acceptance.

Severability: If any provision is unenforceable, the remaining provisions remain in effect.

No Waiver: Failure to enforce a provision does not waive the right to enforce it later.

Assignment: You may not assign your rights under these Terms. SOCIII may assign them in connection with a merger, acquisition, or sale of assets.

Language: These Terms are written in English. In the event of conflict between an English version and a translation, the English version controls.
